TERMS AND CONDITIONS

1. **INSTALLATION OF ADDITIONAL SERVICES**
Pursuant to the OMS Addendum, User has requested Bloomberg to provide the Additional Services at the stated equipment address (as noted above).
2. **TERMS & CHARGES**
(a) The Schedule Term is as set forth in the OMS Addendum. User shall pay Bloomberg (i) the fees indicated above (collectively, the "Fee") for the Additional Services and (ii) any applicable fees for each Operations Access. The Fee also covers the Basic Fee (as such term is defined in the Software License Agreement) for the Software (but not for additional copies of the Software) and the component of the Maintenance Fee (as such term is defined in the Software License Agreement) based on the Basic Fee for the Software. The Fee commences the day this Schedule is accepted by Bloomberg and shall be invoiced quarterly in advance. All amounts displayed on this Schedule are in U.S. dollars. To the extent permitted by law, Bloomberg may send and User agrees to receive invoices via electronic mail. Any Fee increases of which User is notified in accordance with the OMS Addendum shall take effect as specified notwithstanding the issuance of a Schedule setting forth the then current fee.
(b) All installations, upgrades, removals, relocations, conversions, equipment modifications and other changes related to the Additional Services will automatically be charged at Bloomberg's prevailing rates and User will be invoiced accordingly. If local dedicated circuits for network access are provided by Bloomberg to User, the charges for such dedicated local circuits are not guaranteed for the Term of the OMS Addendum. Increases and/or discounts to such charges may be made on ninety (90) days' advance written notice and User relocations may result in immediate price adjustments for such local circuits. User may terminate dedicated circuits for network access upon ninety (90) days' advance written notice, provided that User has installed a replacement approved by Bloomberg.
(c) The Fee does not include fees for real-time exchange and third-party information services or applicable taxes. All applicable taxes, including without limitation, sales tax and VAT, shall be in addition to the Fee or other charges for the Additional Services, and shall be the responsibility of User. If tax-exempt, a copy of the State/Foreign Tax Exempt Certificate must be submitted upon signing the OMS Addendum.
3. **TEST ORDER MANAGEMENT SYSTEM** (if applicable)
(a) User may elect to receive access via the BLOOMBERG PROFESSIONAL service to a test version of the Trading System(s) indicated above and certain data contained in the BLOOMBERG PROFESSIONAL service that directly relate to the positions of User in securities and other interests maintained by User on such Trading System(s) (collectively, the "Test Additional

Services"). User shall not allow any person to use the Test Additional Services other than duly authorized employees of the User. The Test Additional Services shall be used for internal testing purposes only and User shall not, and shall not permit any person to, route orders or trade via the Test Additional Services or any test Trading System. Notwithstanding Section 2 of this Schedule, the relevant fees for the Test Additional Services shall not include fees for the Software.

(b) If User receives access to the Test Additional Services, (i) the Agreement shall apply to the Test Additional Services and the term "Services" in the Agreement shall include the Test Additional Services and (ii) The OMS Addendum shall apply to the Test Additional Services and the term "Additional Services" in the OMS Addendum shall include the Test Additional Services.

4. ELECTRONIC SIGNATURES

This Schedule, and any modifications, waivers or notifications relating thereto may be executed and delivered by facsimile, electronic mail, or other electronic means, including via a website designated by Bloomberg by completing the procedures specified on that website. Any such facsimile, electronic mail transmission, or communication via such electronic means shall constitute the final agreement of the parties and conclusive proof of such agreement, and shall be deemed to be in writing and to have the same effect as if signed manually. User agrees that it has the ability to store the information delivered to User electronically such that it remains accessible to User in an unchanged form.

5. SURVIVABILITY

Paragraphs 1(d), 3(f), 4, 5 and 7 of the OMS Addendum shall survive the termination of the OMS Addendum or any Schedules attached thereto.
