Estimados,

Por medio de la presente, FLSmidth como proveedor único de tecnología de los equipos principales de la línea #3 de producción de clinker de planta Vallemí y la línea de producción de cemento en planta Villeta, se permite informar a la INC que es el único proveedor autorizado de servicios y repuestos originales, los cuales se entregan acorde a las especificaciones particulares de cada proyecto o planta.

Cada pieza, repuesto o componente de los equipos y/o sistema de producción de clinker y cemento marca FLSmidth viene codificado con un numero de parte utilizando nomenclatura propia de FLSmidth.

En el evento de emplear repuestos o contratar servicios no autorizados expresamente por FLSmidth, FLSmidth no será responsable por cambios en las condiciones de operación y servicio de estos componentes y más aun del sistema en general.

En consecuencia, considerando que actualmente la INC se encuentra ejecutando el proyecto "PROVISION, MONTAJE Y PUESTA EN MARCHA DE NUEVOS EQUIPOS Y ACCESORIOS PARA LA OPTIMIZACION DE LA CAPACIDAD DE PRODUCCION DE CLINKER DEL HORNO III", cualquier contratación de servicios o utilización de repuestos no suministrados por FLSmidth en los equipos de nuestra marca, puede ocasionar la cancelación de las garantías de operación y rendimientos definidas en el contrato, al haberse alterado los parámetros y condiciones de diseño que FLSmidth definió para estos equipos.

Solicitamos a la INC trabajar de manera conjunta con FLSmidth en la definición de los repuestos y servicios necesarios de manera prioritaria para no afectar el desempeño y rendimiento de los equipos, así como también no comprometer la integridad de los mismos que ponga en riesgo la producción y la seguridad de su personal.

By the present, FLSmidth as the sole supplier of technology for core equipment in clinker line # 3 at Vallemí plant and cement line production at Villeta plant, inform to INC that is the only authorized

provider for services and spare parts for the proprietary equipment, which are delivered according to the particular specifications of each project or facility.

Each FLSmidth brand piece, component, parts or equipment and / or production system for clinker and cement is encoded with a part number using FLSmidth own nomenclature.

In the event of using spare parts or services not expressly authorized by FLSmidth, FLSmidth will not be responsible for changes in operating conditions and service of these components and more even overall system.
Consequently, considering that the INC is currently performing the project: "SUPPLY, INSTALLATION, COMMISSIONING AND SUPERVISION OF NEW EQUIPMENT AND ACCESSORIES FOR OPTIMIZATION OF PRODUCTION CAPACITY FOR KILN III", any service or use of spare parts not supplied by FLSmidth in our core equipment, all operating and performance guarantees defined in the contract will be canceled, as they have altered the parameters and design conditions defined by FLSmidth for these equipment.

We ask the INC work together with FLSmidth in the definition of spare parts and services needed in priority order so the performance is not affected and as well as not to compromise their integrity and safety for their staff.
