Forerunner Technologies, with address at 4155 Veterans Memorial Hwy #1, Ronkonkoma, NY 11779, U.S.A., certifies the following:

Confirmation of Extended Support – NEC SV9300 and SV9100 Systems – Client: Banco Central del Paraguay (BCP)

We, **Forerunner Technologies**, as an **authorized representative and distributor of NEC products in the region**, hereby confirm that the **Banco Central del Paraguay (BCP)**, through its authorized channel **Tecnología en Electronica e Informatica SA (TEISA)**, holds valid extended support coverage for the following NEC communication systems:

Model	**Serial Number/ HWKY**	**Extended Support Validity (EOS)**
NEC SV9300	[HWKC: 36LYRAHK0100000000BB700618RM]	Until **March 31, 2026**
NEC SV9100	[34101935710A]	Until **October 31, 2027**

This extended support includes access to firmware updates, software patches, and technical assistance, in accordance with NEC Corporation's official End-of-Support (EOS) policy for the above-mentioned systems.

This confirmation is issued upon request of **TEISA** and **Banco Central del Paraguay**, to serve as official documentation supporting the current maintenance contract for the NEC telephony systems installed at BCP.

Sincerely,

Adam Walker
